SIGNING · PENANDATANGANAN

Agencies with their own listing agreement send the completed file to the owner **for signature only**; other agents sign the 1-page agreement at the notary on the day of the deposit. The owner's personal details are shared only with genuinely interested agents — in person and once a real buyer is introduced.

*Agensi dengan perjanjian listing sendiri mengirim berkas final ke pemilik **hanya untuk ditandatangani**; agen lain menandatangani perjanjian 1 halaman di notaris pada hari DP. Data pribadi pemilik hanya diberikan kepada agen yang benar-benar berminat — secara langsung dan setelah membawa pembeli nyata.*

Data compiled from the owner's documents (land certificate, IMB, tax records) and confirmed by the owner. Exact certificate / permit numbers are shared with registered agents after the client is registered and an NDA is signed, and are verified during the buyer's notarial due diligence. This sheet is for information; the terms of the deal are set in the signed sale agreement.
